

Apples :: Apple Book

KinderPrintables.com

APPLE BOOK DIRECTIONS:

Print the front and back cover on cardstock, laminate for durability.

The black and white outline is provided as a template to cut out white pages. To assemble, cut out all of the apple shapes. The cover of the apple book is indicated with the writing "My Apple Book" The reverse apple is for the back cover. Insert as many blank apple pages for the center. You can punch a hole thru the leaf and use a brad or ring.
