

My Frog Book

Originally written and created by © KinderPrintables.com

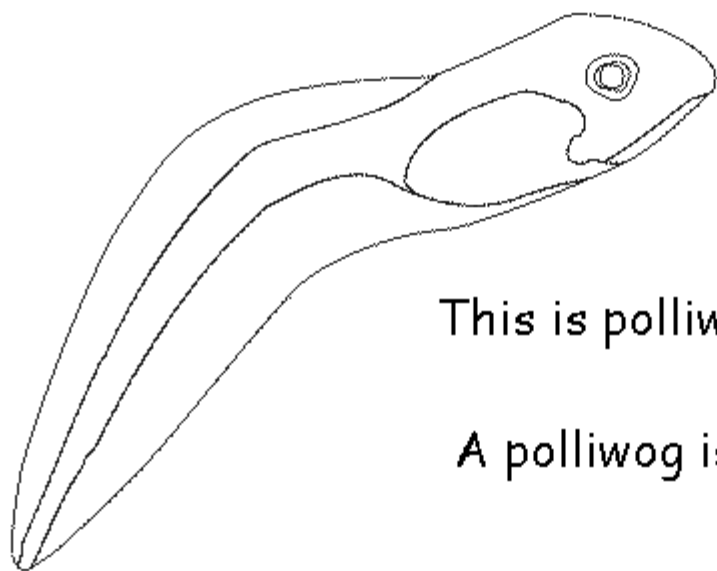

This is an egg.
A new frog begins life.

© KinderPrintables.com

The egg divides
until it becomes a polliwog.

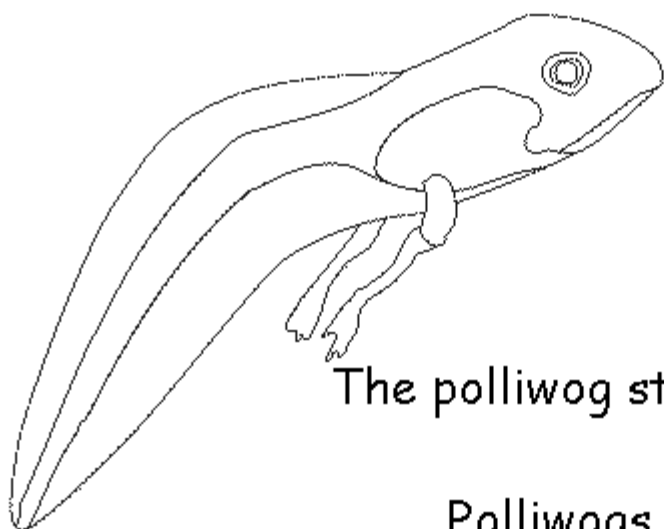

© KinderPrintables.com

This is polliwog or tadpole.

A polliwog is a baby frog.

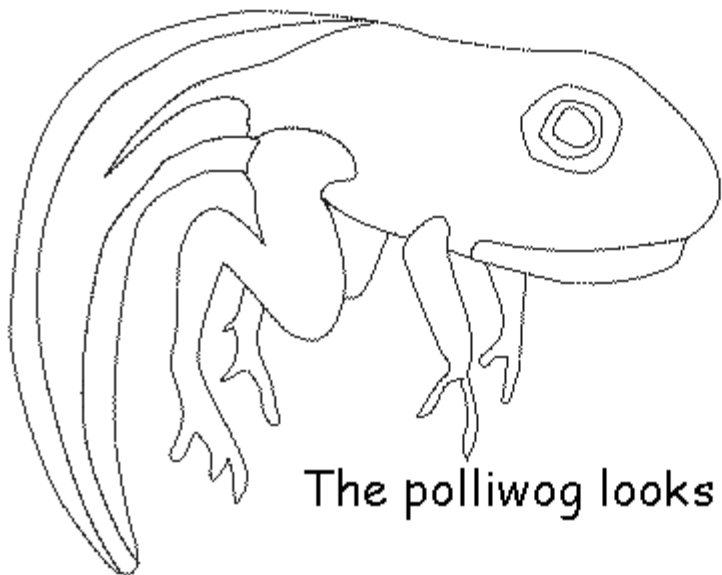

© KinderPrintables.com

The polliwog starts to grow legs.

Polliwogs like to swim.

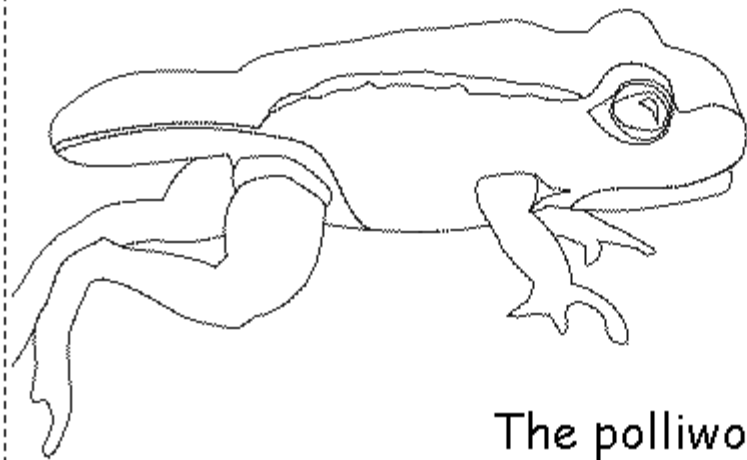

© KinderPrintables.com

The polliwog looks more like a frog.

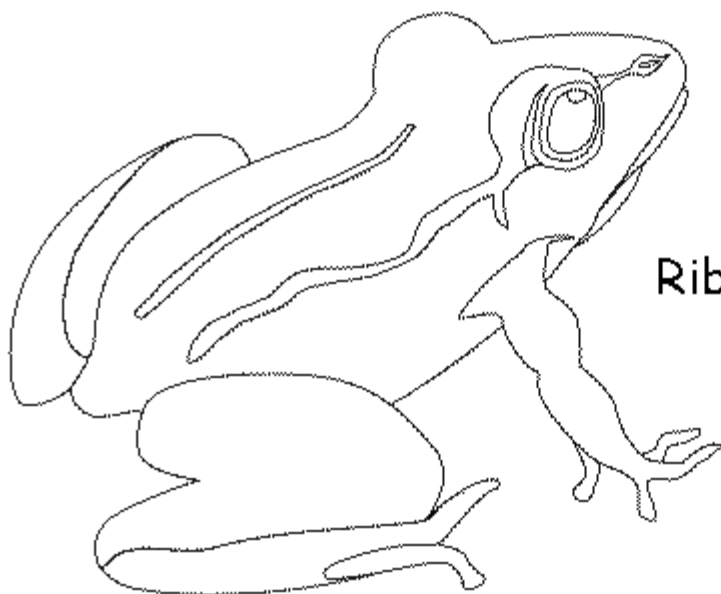

The polliwog now has legs.

© KinderPrintables.com

The polliwog loses its tail.

© KinderPrintables.com

The polliwog
is now a frog.

Ribbit, ribbit, ribbit.
